 5. Jame won't catch the last bus unless he runs faster.
 => **If Jame doesn't run faster, he won't catch the last bus.**

VII. Read the passage and answer questions (2 marks).

THE QUIZ SHOW

My best friend Jenny appeared on a TV quiz show a few nights ago. It was very exciting. We all knew that she would be on, so all our friends met at her parents' house to watch it. Her parents videoed it too, of course. The programme started at half past seven. We screamed and clapped when we saw Jenny. She looked great. She had had her hair done, and was wearing the new top she had bought the day before. She sat in the chair in the middle of the studio while the presenter asked her some questions. The questions got harder and harder as they increased in value if she didn't make any mistakes and get the most difficult question right, she would win a million pounds. By this time, Jerry had won a thousand pounds. That was definitely hers, whatever happened. She answered the next question correctly, which was worth five thousand pounds. I didn't know the answer, but she did know! Then with the next question, she took a risk but got the answer wrong. She was gone out of the game. Still, she had her thousand pounds, and we were very proud of her.

Answer the questions:

- 1/ What programme appeared on a TV a few nights ago ? **A tv quiz show**
 2/ Was it very boring ? **No, it wasn't.**
 3/ What time did the programme start? **(It started) at half past seven.**
 4/ Was Jerry gone out of game ? **Yes, she was.**
 5/ Where did she sit while the presenter asked her some questions? **She sat in the chair in the middle of the studio.**
