VII. READING COMPREHENSION (1.5pts)

Reading 1: Gareth Ellis, is the youngest son of Alan, an engineer, and Kath, a nursery teacher. His older brothers want to work in banking and computers, but Gareth wants to be a clown. Two years later, both Alan and Kath get jobs with a famous circus and Gareth begins training to become a clown. He calls himself Bippo. **They** travel with the circus during the summer and return home for the winter. Gareth's brothers are old enough to look after the house while they are away.

"I can't say everything is easy," says Kath. "People ask about my education," says Gareth, "but from the beginning, wherever we go, someone has always come to teach me. I follow the same books as everyone back at school and I have got a computer. I've never fallen behind my classmates."

And in the future? There is no other way to teach Gareth about being a clown but they are happy to say it is working and they are enjoying it. And Gareth? He is going to be the main clown in a circus one day, perhaps "Bippo's circus"

VI. READING COMPREHENSION:

A. July 2nd

Dear Tim,

Thanks for your letter. I am very glad to hear that you are fine. I am fine, too. It's really **interesting** to know about vacations of American students.

You are right. We have fewer vacations than American students. Each year, we just have about four vacations. We have a day off for Independent Day on September 2nd, two days off on April 30th and May Day. Our most important vacation is Tet. Tet holiday often lasts for nine or ten days. Our longest vacation is summer vacation. It lasts for almost three months. We usually spend our vacation time with our families. We don't have vacations for Easter, Thanksgiving and Christmas, but we also celebrate them.

Please write and tell me your last summer vacation.

Your friend,

Hoa
