VII. Read the following passage and choose the correct answer (A, B, C or D) to each question.

The traditions of Vietnam are affected by Chinese culture for a long time. In family, women had to do all housework, take care of children, their fathers and husbands. They had to **obey** and respect their fathers and husbands in resolving family's problem. Women had no choice in controlling a number of babies they needed, partly they had little knowledge about contraception and as result of religious and economic requirement.

Concerning to work and education, in the past, women almost stayed at home and did housework, looked after children and did agriculture jobs like cultivation, livestock breeding, agricultural process and selling agricultural produce. People thought that women should not study high, what women should learn was how to cook well, how to became a good wife, mother. As a consequence, few women **finished** secondary school and some studied primary school. In making decision, women in the past had no right to decide any social and family problems. Their fathers and husbands would decide all problems related to family and society.

Question 41: In family, women had to do _____.

- A. do partly housework, respect children, their fathers and husbands
- B. do all housework, look after children, their fathers and husbands
- C. do all housework, look after their parents and children
- D. do all housework, resolve all family's problem
