Every year, millions of tourists visit California. California is known for its beautiful scenery, warm climate, and excellent food. There are twenty national parks in California, which over thirty million people visit every year. California also has many world-famous museums.

The state is divided into two parts: Northern California and Southern California. San Francisco is in Northern California. It is surrounded by water on three sides and is a city with beautiful bays and several bridges. Its streets are always crowded with tourists. There is an area in the south of San Francisco that is famous for the computer industry; it is called Silicon Valley.

Los Angeles, Hollywood, and Disneyland are all situated in Southern California. Southern California is known for its desert areas, which are sometimes next to snow-covered mountains. It is one of the few places in the world where you can ski in the morning and surf in the afternoon.
