Questions	Student 1	Student 2	Student 3	Student 4	Student 5
1. Do you often create and follow a schedule or to-do list to manage your time efficiently?	Yes	Yes	No	Yes	Yes
2. Do you often prioritise your tasks effectively to ensure timely completion?	No	Yes	No	Yes	Yes
3. Do you consistently complete tasks and projects within the given deadlines?	Yes	Yes	No	No	Yes
4. Do you usually avoid delaying and stay focused on your tasks?	No	Yes	No	Yes	Yes
5. Do you often use productivity tools or techniques to enhance your time management skills?	No	No	No	No	Yes

2. Work in groups again. Count the answers you have got for each student.

0 Yes answer: Very poor at time management

1 – 2 Yes answers: Poor at time management

3 – 4 Yes answers: Good at time management

5 Yes answers: Excellent at time management

Example:

• Student 1: 2 Yes answers: Poor at time management.

• Student 2: 4 Yes answers: Good at time management.

3. Present your group's findings on how good your classmates are at time management.

Most of the students asked often create and follow a schedule or to-do list to manage their time efficiently. Some students prioritise their tasks effectively to ensure complete tasks and projects within the given deadlines. They also usually avoid delaying and stay focused on their tasks. Very few of the students surveyed use productivity tools or techniques to enhance their time management skills.
