PRACTICE

1. Listen and read.

***Tom*:** Hi Mi, I'm back from Da Lat now. I have some local specialities for you.

***Mi*:** Thanks Tom. I guess you and your family had a great time there.

***Tom*:** Yeah. We visited LangBiang Mountain, and Cu Lan Village. We saw a gong show in the evening.

***Mi*:** What did you do on LangBiang Mountain?

***Tom*:** We rode a jeep to the top. It was a thrilling ride up there. Then we took an eco-tour of LangBiang Mountain. They said that the area is rich in flora and fauna with more than 150 plant and animal species.

***Mi*:** Sounds amazing! What did you do then?

***Tom*:** We took pictures of the magnificent scenery. It was really enjoyable!

***Mi*:** Then did you explore Cu Lan Village?

***Tom*:** Yes. We had a brilliant tour around the village. We also rode horses and a jeep along a stream.

***Mi*:** That must have been exciting, Tom.

***Tom*:** It definitely was. In the evening we saw an interesting gong show. We danced and sang with the locals. And we tried grilled pork. It was a really memorable evening. I'll show you some pictures I took there.
